Overview of good purpose foundations

Foundations operating in Malawi are invited to present themselves on this page. There is no charge.

This can be done with an email to tongossens@zeelandnet.nl and sending the pattern below. An image is appreciated that is typical of your foundation. In that case, you would also like to indicate under which heading the foundation can best be placed.

Projects: Scholarships for young people in secondary education, school library Dzoole-Village, community center Dzoole-village.
Objective: To ensure that a number of young people in Malawi can follow the best possible education. We aim to create facilities that promote good education.
The foundation believes in the strength of children and young people. She wants disadvantaged children and young people to be able to continue to develop this power so that they can change their own future and that of their environment. The projects of HELP Malawi Netherlands and everyone who participates in them contribute to ensuring an essential and sustainable difference.
The foundation works closely with Future4All, a local NGO.
Active in the region/village: Balaka district/Nanthombaschool and Ntcheu district/Dzoole village.

Kune Zuva

Name of the foundation: Kune Zuva
Address in the Netherlands: Tolsewijk 10 4681SV Nieuw Vossemeer
Registration number Chamber of Commerce: 200,995.47
Bank account: IBAN NL89 INGB 000 5837915
Active since: 2000
Current Anbi status: yes
Current CBF status: no
Website: www.kunezuva.nl
Mail address: info@kunezuva.nl
Contact person: Sylvia Brooijmans
Contact phone number: 0167-503186
Projects: Albinism - pre-school education - pupils - students
Objective: The goal of the Kune Zuva foundation is 'to make the sun shine by giving people opportunities in life'. Kune Zuva focuses on people in Africa, who are struggling due to circumstances. Often it is possible for them, with some support, to make a big leap forward. Kune Zuva does this by using the resources optimally for setting up, supervising and (co-)financing small-scale projects.
Active in the region/village: Benga

Agriculture and food supply

Tree of Life

Name of the foundation: Tree of Life Foundation
Address in the Netherlands: Boylestraat 34, 6718 XM Ede
Registration number Chamber of Commerce: 302 187 48
Bank account: NL80 RABO 0129 8284 59
Active since: 2006

Website: <https://treeoflife.international/>
Mail address: info@treeoflife.international
Contact person: Christian Slager / Hedwig van Dijkhuizen
Contact phone number: 06 300 539 52
Projects: providing training in sustainable, (forestry) agriculture
Objective: Working towards food security. To achieve this, we pass by farmers. They receive (family) training in sustainable agriculture, which aims to increase harvest by, among other things, restoring soil life. This allows multiple crops to grow well. We are working with families to further develop them in the areas of finance, family, health and faith.
Active in the region/village: Kasenje, Malawi

Charity

Name of the foundation: The Art of Charity Foundation
Address in the Netherlands: PO Box 4182 7320 AD Apeldoorn

Current Anbi status: yes
Current CBF status: no
Website: www.zolacaremalawi.com
Mail address: info@zolacaremalawi.com
Contact person: Mariska de Bruijn / Danielle Hoefsloot / Amber Groos
Contact phone number: 00316 39722752
Projects: Maternity Hospital, Children's Physiotherapy, Multidisciplinary Center, Mother-Child Care, Mobile Clinic, Monthly Medication Fee.
Objective: Zola Care Malawi aims to work with locals to provide quality health care that is available to everyone. In addition to running a multi-disciplinary center, which provides pediatric physiotherapy, Zola Care Malawi has set up a mobile clinic, there are (under)nutrition programs 's, drives an ambulance and there is medication and care available at all times for people who cannot afford this. Our main project is currently setting up a maternity hospital, construction of which has started. The maternity hospital will provide the opportunity to guide women and their partner before, during and after pregnancy. Through risk selection and close monitoring of the pregnant women, we expect to be able to reduce the mortality rate of both mother and child.
Active in: Lusangazi, North Malawi

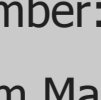

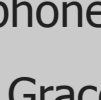

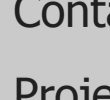

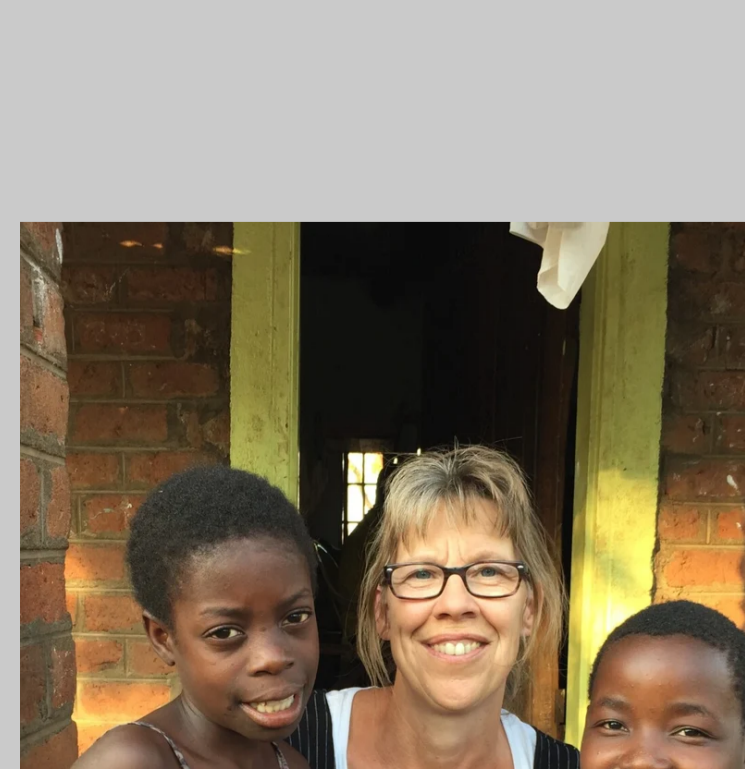

Danielle, child physiotherapist
Madison, district nurse
Amber, midwife
Merisa, clinical dietitian
Lisa, nurse
Femke, midwife
